DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 4-6, 10-14, 16, 18 and 20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 1, 4-6, 10-14, 16, 18 and 20 are allowable because the prior art of record neither anticipated nor rendered obvious that a liquid crystal display device with a capacitance compensated structure comprises various related elements as claimed with specific features recited in claims 1, 5 and 11:

a portion of the pixel electrode is substantially located between the gate and the capacitance-compensation structure and substantially spaced apart from at least one of the gate and the capacitance-compensation structure (the capacitance compensation structure extending from at least one of the gate and the gate line) such as shown in Fig.7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
